

BARRACUDA

AQUATICS CLUB

Looking for NEW members of all swimming abilities. Year-round programming offered!

The Barracuda Aquatics Club promotes the development of sportsmanship and teamwork in ages 6-18. We believe in a positive attitude, both in competition and throughout all aspects of training and preparation. We provide recognition and resources to motivate and assist members to strive for the highest ideals of performance in and out of the water. Each swimmer will learn the four competitive swimming strokes plus racing turns, starts, and strategy. Your swimmer will see improvement during the course of the season.

Come and get evaluated by our coaching staff (info to the right), anytime during the season. You may also test the waters with a free two-week trial anytime during our season. E-mail Jeff at MNFCUDAS@aol.com for further information on getting started.

Barracuda Aquatics Club is one of the most reliable programs in Minnesota since its inception in 1961. We have locations in Shakopee (@West Middle School) and Bloomington (@Olson Middle School). Our team philosophy is very simple...

Swim. Laugh. Grow. Succeed... For Life.

The Barracuda Aquatics Club is encouraged by our past and present swimmers

Olympic Trials | State Champions
National Qualifiers | College
Recruited | Academic & Athletic
Scholarships
