Laura works primarily with our Developmental and Age Group teams. She came to us with a year of coaching experience at the high school level and with many years experience teaching swim lessons to younger swimmers.

Laura started club swimming when she was eight years old and developed a deep love of the sport. Laura continued her swimming career for Champlin Park High School where she specialized first as a 500 freestyler, and then as a 50/100 freestyler. She then attended Gustavus Adolphus College and graduated in 2018 with a degree in Elementary Education.
